

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE BOARD OF PATENT APPEALS
AND INTERFERENCES

Ex parte QUINTIN T. PHILLIPS

Application No. 09/932638

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was received electronically at the Board of Patent Appeals and Interferences on April 10, 2007. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below.

Application No. 09/932,638

On April 18, 2006, an Examiner's Answer was entered into the record. In the Evidence Relied Upon section, page 4, paragraph 8, the examiner has stated, "No evidence is relied upon by the examiner in the rejection of the claims under appeal." A review of the file reveals that references to Sekizawa (U.S. Patent No. 6,430,711 B1) and Hayward et al (U.S. Patent No. 6,798,997) were applied to the statement of rejections in the Grounds of Rejection, paragraph (9) of the examiner's answer.

Before further review, the examiner must mail a PTOL-90 that will include in the Evidence Relied Upon section, the list of references mentioned in the statement of rejections. See the Manual of Patent Examining Procedure, (MPEP) 1207.02.

Appropriate correction is required.

Application No. 09/932,638

Accordingly, it is

ORDERED that the application is returned to the Examiner to:

- 1) issue and mail a PTOL-90 having the missing references listed under the Evidence Relied Upon section, heading (8) of the Examiner's Answer: and
- 2) for such further action as may be appropriate.
